

The Financial Services Guide describes the services we provide. It is designed to assist you in deciding whether to use any of our services, and it describes how we are remunerated for our services, how we handle any complaints you may have and how we manage conflicts of interest.

It is an important document. Please read it carefully and keep it in a safe place.

Any Statement of Advice or record of advice we provide will set out our advice, the basis of our advice and information on any remuneration, associations or other interests, which might reasonably have influenced us in giving our advice.

If you are a retail client, then before we wither arrange an insurance policy for you, or we provide personal advice to you recommending that you buy a particular insurance policy; we will give you a Product Disclosure Statement if we are required to do so. It is prepared by the Insurer and is designed to give you important information on its features to assist you in making an informed decision about whether to buy the product or not.

It may be more than one document.

What services can we provide? **Our various roles**

Great Western Insurance Brokers is an Australian Financial Services Licensee and is licensed under the Corporations Act to advise and deal in relation to all general insurance products.

We can act in a number of roles in providing our services.

We usually act on your behalf. However in some cases we may act on behalf of an insurer or their representative or on our own behalf (e.g. as a referrer to another service provider). We tell you if this is the case as this means we do not act for you when we provide the service.

Our Services

Arranging insurance for you

This is where we arrange for the application, acquisition, variation, renewal or cancellation of an insurance policy for

you. The process differs depending on the type of insurance and we explain it to you when you apply for the insurance.

Providing advice to you

There are two types of advice service we provide and it is important to understand the difference:

Personal Advice

This is advice provided by us to you on the suitability of general insurance policies to meet your particular needs. We will agree with you when this service is to be provided and what the scope of our personal advice will be. For example, in some cases we may only provide personal advice on a selected list of products which is appropriate for you. Before we provide any personal advice we will need to undertake a needs analysis so we can provide you with appropriate advice.

General Advice

This is where we provide a general recommendation of opinion to you on a general insurance policy which is not based on our consideration of your personal needs. We tell you when this is the case because if general advice is given you need to consider if the general advice and any relevant product is right for your circumstances as we have not done this for you.

In some cases where we arrange more than one policy for you we may provide personal advice for one policy and general advice for another. We tell you when this is the case.

Claims Assistance

We can also assist you when you need to make a claim. If a claim occurs contact us and we can help you decide what to do. We do not do anything without your consent. We provide this assistance as part of our overall service for no separate charge unless we tell you otherwise. We cannot provide this service if we no longer act for you.

Any claims documentation, insurance company settlement cheques and other information received by us on your behalf will be provided to you as soon as reasonably practicable.

Premium Funding

In some cases insurers require the full premium payment up front. Premium

funding is one way of not having to pay your premium in one lump sum. You will, however, have to pay interest to the premium funder on the amount borrowed.

We have a preferred supplier arrangement with Pacific Premium Funding Pty Limited ("Pacific") for the arrangement of premium funding. In arranging premium funding with Pacific, or any other premium funder, we do not provide personal advice or represent that any of the funder's products and services are right for you or that they are the most appropriate. You need to make your own decision based on the information provided.

We may provide a variety of services and act in different roles

It is important to note that given the wide variety of general insurance products available and the need to remain competitive we may provide a variety of roles. For example, where you require a number of different covers we may provide personal advice for some products you need and act on your behalf in relation to them. For others we may only provide you with general advice or provide dealing services only and for others only act as an agent of the insurer not you. We can provide a further explanation of why this is the case and we make sure we tell you what the service is and our role before or at the time we provide this service.

Ask us if you need more detailed information or do not understand our explanation.

How you can give us instructions

You need to give us instructions in writing by letter or email or by another method agreed by us. We will tell you what is possible when you contact us.

What information do we maintain about you and how you can access it

We maintain a record of your personal profile. That record contains information about insurance policies that we have arranged for you. The record may also contain details of your objectives, financial situation and needs collected for the purpose of giving you personal advice. We also maintain records of any recommendations made to you.

Privacy Policy

We are committed to implementing and promoting a Privacy policy, which will ensure the privacy and security of your personal information.

A copy of our Privacy Policy is located on our website at www.gwib.com.au

If you would prefer to have a copy mailed to you, please ask us. If you wish to access your files please ask us.

How are we remunerated for our services? When we act for you in advising on and/or arranging your insurance

When we act on your behalf in advising on or arranging insurance we can be remunerated in a number of ways. They can vary according to the service with require and/or our arrangements with the relevant insurer or their representative.

We are remunerated by:

- Commission from the insurer;
- Fees we charge you;
- In limited cases only, remuneration from an insurer based on the profitability or volume of the business we place with them; or
- A combination of the above

Details are provided below on each.

Commission paid by the insurer to us

Unless we tell you in writing that we will provide our service on a "Fee Only- no commission" basis, we are remunerated by commission from the relevant insurer whenever you enter into an insurance policy arranged by us (including renewal and some variations which increase the premium payable).

The commission is a percentage of the insurers base premium (i.e. premium excluding stamp duty, fore services levy, GST or any other government charges, taxes, fees or levies). Different insurers can agree to pay us different commission rates for the same type of products. The rates also vary for each product type and vary between 0% -22.5%.

The commission does not represent our profit margin as it also reimburses us for administrative and other expenses we incur in providing our services.

The commission is included in the premium amount set out in your invoice and we receive it when you pay the premium or at a later time agreed with the insurer.

Fees paid by you

Unless we specifically agree in writing before providing our services to charge on a "fee Only- no commission" basis, the Fees will be paid in addition to any commission we receive.

We may charge you:

- A Brokers Fee- this is an administration fee payable when you enter into an insurance policy;
- A pre agreed set amount for specific services;
- An amount based on a pre agreed rate for the time we spend providing the service; or
- On some other basis agreed with you before we provide the service.

All fees are payable after we have provided the service or at such earlier time we agree with you in writing and will be noted in the invoice that we send you. The fees are not refundable.

Where we act for the insurer

Where we act for an insurer, not you, we receive commission from the insurer as our principal and may also charge you an administration fee. The amount of the fee will vary depending on the complexity and type of services that we provide you with. We will tell you how much the fee is before we provide you with the service.

The fee is payable when you buy the policy or at such earlier time as we agree with you in writing. It is noted in the invoice we send you and is not refundable.

When there is a referral

Where a third party has referred you to us, we may pay them an agreed amount.

This amount will be paid after we provide services to you/after we have arranged insurance for you. A commission or an agreed fee may also be paid on renewal and in some cases on variation.

If we refer you to another service provider we will be remunerated by them by way of a commission or fee for doing this unless we tell you we are not. The amount is generally a percentage of their remuneration the amount of which may depend on the circumstances. A commission or an agreed fee may also be paid on renewal and in some cases on variation.

In making any referral we do not advise or represent that their products and services are right for you and take no responsibility for the products and services they may provide to you. You need to make your own decision based on the information they provide.

Our staff's remuneration

Our staff receive an annual salary that may include bonuses based on performance criteria (including sales performance) and achievement of company goals. They may also receive certain soft dollar benefits or remuneration for arranging premium funding described further below.

Receipt of Soft dollar benefits policy

From time to time we or our representatives may also receive what are commonly known as "soft dollar benefits" from product issuers and other financial service providers we deal with.

These can include entertainment (i.e. lunches, sporting events, movies etc), conferences (e.g. attendance at a product issuer conference), accommodation and travel, business tools (e.g. software), gifts (e.g. product issuer or service provider or service provider branded promotional items and other occasional small gifts such as bottles of wine or hampers on special occasions etc).

These benefits are provided by a wide range of product issuers and service providers. In most cases they relate to our development of an understanding of the product issuer and/or service provider and their product ranges and practices etc. Ultimately, this assists us in better servicing and representing you.

Our policy is that any of the above received by us or our representatives that exceeds \$300 per item or transaction in estimated value are potentially material.

This means they must be disclosed to our Conflicts Manager in writing. The Manager determines if appropriate procedures are in place to manage or avoid any potential conflict of interest which might arise. They only approve benefits where this is the case and retain a record of this which you can access on request.

Premium Funding

If we refer you to a premium funder and you enter into premium funding arrangements with them, we may receive commission which is a percentage of the amount funded excluding GST. The amount of commission varies depending on our arrangement with the premium funder we refer to you. In some cases we have a profit share arrangement with the premium funder where we receive a percentage of any profit the premium funder makes the funds loaned by persons we refer to them. We may receive soft dollar benefits from them too.

If you use Pacific, we receive

- a) a commission which is a percentage of the amount of funding provided to you;
- b) a payment based on a percentage of all loans arranged each month;
- c) a payment based on a percentage of certain fees and interest received by Pacific on the total
- d) amount of outstanding loans less certain expenses; and

If you need more information or explanation of the above, please ask us.

Further information about remuneration received by us or others

Where we don't provide you with personal advice as a retail client you can ask us to give you more particulars of our remuneration (including commission) or other benefits within a reasonable period after receiving this FSG and before we provide you with the financial service to which this FSG relates, unless we agree otherwise.

If we provide you with personal advice as a retail client, then at the time the advice is provided to you, or as soon as practicable afterwards, we will tell you either:

- the amount of any remuneration (including commission) or any other benefits we or other persons receive that might reasonably be expected to be, or have been capable of, influencing us in providing the advice; or
- if the amount is not known, the manner of calculation

Money Handling Arrangements

We handle all money received from you or the insurer in relation to insurance in accordance with the requirements set out by the Corporations Act 2001 (Cth). We keep any interest earned on any amounts held by us on your behalf or on behalf of the insurer. The length of time we hold any money can vary according to the type of insurance and the different arrangements we have in place with insurers.

Do we have any relationships or associations with issuers or related bodies that might influence our service or advice?

Great Western Insurance Brokers does not have any relationships or associations with issuers or related bodies corporate that might influence our services or advice.

How do we manage conflicts of interests

We take any potential conflicts of interest seriously and have a Conflict of Interest policy which we and our representatives must comply with and you can access by contacting us.

Compliance is audited on a regular basis.

Conflicts of interest are circumstances where some or all of your interests as our client, are or may be inconsistent with, or diverge from, some or all of our interests.

A key conflict when we act on your behalf is where we receive benefits from someone other than you- this can potentially influence us to act in their or our own interests rather than yours. Where we arrange a policy an insurer can pay us commission (see above for details). It is the major form of insurance broker remuneration and can create a potential conflict of interest because it

may be in our interest to recommend the product issuer or service provider that pays us the most because it increases our remuneration. This may not be in your interest in certain circumstances.

Another key conflict is where we favour the interest of one client or group of clients over another because it is in our interests to do so.

Due to the extensive number of our clients and their varied requirements, we have a variety of procedures in place to manage these potential conflicts of interest. For example, we tell you about our remuneration arrangements in this Guide and you can ask for more detailed information if you need it before you proceed. If we provide you with personal advice we have a legal duty as a professional to put your interests ahead of our own and can only provide you with advice that is appropriate for you. This obligation also extends whereby we represent the interests of one or more clients involved in a transaction.

We and our representatives are trained in this important duty and compliance with it is monitored regularly.

If you have any questions make sure you ask us.

Cooling off Period

A cooling off period may apply to an insurance policy issued to you as a retail client. During the period you may return the policy. Details of your cooling off rights are included in the relevant Product Disclosure Statement document.

In some cases an insurer can deduct certain amounts from any refund.

Ask us if you do not understand the right.

Other terms of our Service

Important Information about your Insurance

You must read the Important Information about your insurance document we give you (tell us if you have not received it) and ask us if you have any questions or do not understand anything we have set out in that document. It will help you understand some important matters about your insurance.

Misstatement of Premium

We try to tell you the correct amounts of premium and statutory and other charges that apply to your insurance. In the event that we misstate that amount (either because we have made an unintentional error or because a third party has misstated the amount), we reserve the right to correct the amount. Where permitted by law, you shall not hold us responsible for any loss that you may suffer as a result of any such misstatement.

Professional indemnity insurance arrangements

We and our representatives are covered under professional indemnity insurance that complies with the requirements of section 912B of the Corporations Act.

The insurance (subject to its terms and conditions) will continue to cover claims in relation to our representatives/employees who no longer work for us (but who did at the time of the relevant conduct).
